Introducing the EcoSmart 12W LED Light Bulb - Soft White

EAN: 0123456789012

SKU: ES12W-BULB-60EQ

Brand: EcoSmart

Price: \$3.99

Condition: New

Fulfillment Option: Seller Fulfilled

Image URL: <https://example.com/images/ecosmart-led.jpg>

Site Description:

This 12-watt LED bulb provides 800 lumens of soft white light, ideal for bedrooms, living rooms, and workspaces. With a lifespan of over 15,000 hours, this bulb reduces both energy costs and the need for frequent replacements. It is compatible with standard E26 sockets, operates without flicker or delay, and is dimmable with most LED-compatible dimmer switches.

Key Features:

- Energy-efficient 12W replaces 60W
- Emits 800 lumens
- Soft white color temperature (2700K)
- E26 standard base
- Long life: 15,000 hours
- Instant on - no warm-up time
- Dimmable

Specifications:

- Wattage 12W
- Voltage 120V
- Color Temp 2700K
- Lifespan 15,000 hours
- Base Type E26
- Dimensions 2.36 x 2.36 x 4.49 inches
- Weight 0.2 lbs

Warranty: 2 years

Certifications: UL, Energy Star
